TRIAL CHAMBER

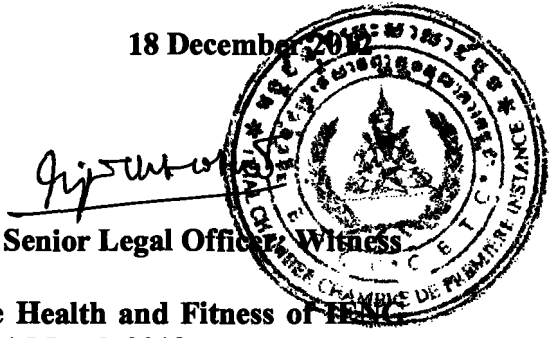

18 December 2012

TO: All parties, Case 002

FROM: NIL Nonn, President, Trial Chamber

CC: All Trial Chamber Judges; Trial Chamber Senior Legal Officer and Expert Support Unit (WESU)

SUBJECT: Re-Appointment of Experts to Review the Health and Fitness of IENG Sary and NUON Chea during the week of 11 March 2013

1. The Trial Chamber previously found the Accused NUON Chea (E115/3) and the Accused IENG Sary (E238/9) (collectively, "Accused") fit to stand trial.
2. Considering that the Accused both suffer several chronic physical ailments and regularly participate in proceedings from the holding cell, the Chamber considers that it would benefit from a periodic expert review of the health of the Accused, as well as their treatment and care. This review shall be conducted during the week of 11 March 2013 by expert geriatrician Prof. A. John CAMPBELL and psychiatric experts Dr. Seena FAZEL and Dr. Lina HUOT.
3. The Chamber invites all parties to make written submissions concerning the scope of this assessment no later than 21 January 2013.
