JUDGMENT

DAVIS C.J. delivered the Judgment of the Court:

All I have said in the previous case Criminal Appeal No.3 of 1976 applies to this case as well; so that the Court will allow the application for leave to appeal against conviction of unlawful carnal knowledge and having granted leave will treat this application for leave as the hearing of the appeal in relation to that offence and will quash that conviction but refuse leave to appeal in respect of the conviction for rape.
