## **I. INTRODUCTION**

1. In the following cases the Chamber attempted to contact the applicants to obtain updated information on their applications, but they failed to respond to the Chamber's requests.

**II. OPINION OF THE CHAMBER**

26. In accordance with Article VIII(3) of the Agreement, "the Chamber may decide at any point in its proceedings to suspend consideration of, reject or strike out, an application on the ground that

(a) the applicant does not intend to pursue his application; ... provided that such a result is consistent with the objective of respect for human rights.”

27. Rule 46(6) of the Chamber’s Rules of Procedure states that “applicants shall keep the Chamber informed of any change of their address”.

28. Considering that the applicants did not respond to any of the Chamber’s letters and several of them also did not provide the Chamber with a new contact address so that it may communicate with them about their applications, the Chamber can only conclude that the applicants do not intend to pursue their respective applications. Furthermore, the Chamber finds no special circumstances regarding respect for human rights which require the examination of the applications to be continued. The Chamber therefore decides to strike out the applications pursuant to Article VIII(3)(a) of the Agreement.

### **III. CONCLUSION**

29. For these reasons, the Chamber, unanimously,

**JOINS THE APPLICATIONS and  
STRIKES OUT THE APPLICATIONS.**
