[FN1] The Government of Nicaragua, by way of its note of September 19, 1983 requested reconsideration of this Resolution. The IACHR Studied the request and adopted the Resolution which appears on page 120 of this Annual Report.

BACKGROUND:

1. By a communication dated February 1, 1980, the following complaint was lodged with the Inter-American Commission on Human Rights:

The arrest and disappearance of Guillermo José Chavez Rosales, student, 19 years of age, in Managua, on July 27, 1979, is denounced. He was captured by two members of the Sandinista People's Army, one of them identified as Carlos Román Pizzi (Barricada). He was taken to the grounds of the David and René Peralta Complex, previously the Military Academy. Since then, nothing is known of the whereabouts of Guillermo José. It is presumed that he was shot to death.

3. In a written communication of June 8, 1980, the Commission transmitted the pertinent parts of this complaint to the Government of Nicaragua, requesting that it provide the information it deems pertinent with respect to the whereabouts of Mr. Chavez Rosales.

4. In a written communication dated January 27, 1981, the Commission reiterated the request for information to the Government of Nicaragua making it aware that, if such information was not provided within the legal deadlines established, in application of Article 39 of the Regulations, the facts reported in

the petition, whose pertinent parts have been transmitted to the government, would be presumed to be true.

CONSIDERING:

1. That, to this date, the Government of Nicaragua has not responded to the Commission's requests for information with respect to the foregoing case.

3. That Article 39 of the Regulations establishes the following:

Article 39

The facts reported in the petition whose pertinent parts have been transmitted to the government of the state in reference shall be presumed to be true if, during the maximum period set by the Commission under the provisions of Article 31, paragraph 5, the government has not provided the pertinent information, as long as other evidence does not lead to a different conclusion.

THE INTER-AMERICAN COMMISSION ON HUMAN RIGHTS
