46. On November 9, 1998, the Commission requested the adoption of precautionary measures on behalf of Magencio Abad Zeferino and Miguel A. Zeferino Domínguez. The measures were requested on behalf of one of the victims in case 11.875 and his young son, who had been threatened by strangers at their own home, during the night, supposedly because of the complaints reported by Zeferino regarding the facts of the case in question.
