11. On January 27, 1999, the Commission requested the adoption of precautionary measures on behalf of Nelson García Fernández, Judith Bravo Cuencas, and their son, who were to be deported from The Bahamas to Cuba. The Commission requested that the State of The Bahamas suspend the deportation of Mr. García and his family and that due process be observed in reaching the decision on asylum, particularly as regards prompt access to information and the possibility of appealing the Ministry of External Relations's decision on the petition for asylum through the judicial system.
