26. On January 30, 2001, the Commission granted precautionary measures and requested that the Colombian State take steps to protect the life and physical integrity of Dr. Gloria Gaitán Jaramillo. The available information indicates that Dr. Gaitán Jaramillo was harassed and persecuted both at home and at her workplace as a result of her efforts to further the investigation into the assassination of her father, Jorge Eliécer Gaitán, through the so-called “National and International Campaign of the Court of Truth.” Following the State’s reply, the parties continued to present information and observations on these precautionary measures.
