16. On May 25, 2001, the IACHR granted precautionary measures on behalf of Berenice Celeyta Alayon, a member of the NOMADSEC organization, who had received threatening telephone calls and had been followed by persons unknown, presumably because of her work with social, trade union, and local leaders in the Valle del Cauca region. The IACHR asked the State, as a matter of urgency, to take the steps necessary to guarantee the life and person of Ms. Berenice Celeyta, in collaboration with her, and to launch an investigation. After the State replied, the parties have continued to submit information and comments in connection with these precautionary measures.
