40. On August 6, 2002 the IACHR granted precautionary measures on behalf of members of the Colombian Legal Foundation (CORPOJURÍDICO), headquartered in Apartadó, Antioquia, and the relatives of the victim in petition P0597/2001 on the disappearance of Alcides Torres Arias. The petitioner requested a hearing to present the testimony of the victim's mother during the 114th regular session of the IACHR in Washington, D.C.; however, before departing, attorney María del Carmen Flores Jaime, a member of CORPOJURÍDICO, was killed after she met with the victim's mother. The petitioners claim that, since then, they have received threats and members of the organization have had to move or go into exile abroad for security reasons.
