38. On June 8, 2004, the IACHR granted precautionary measures in favor of the human rights defender Andrés Pavón Murillo, Executive Director of CODEH. Available information indicates that Mr. Pavón Murillo has been the target of threats and harassment because of his activities as a human rights defender and that the public has been called upon on television and radio to take his life and the lives of his family, so as to dissuade him from continuing “to defend delinquents.” In view of the risk for the beneficiaries, the Commission requested the Honduran State to adopt measures to protect the life and physical integrity of Mr. Pavón Murillo and his family. The Commission continues to monitor the situation of the protected persons.
