45. On November 11, 2004, the IACHR granted precautionary measures in favor of Mr. Luis Miguel Sánchez Aldana, who is imprisoned in the penitentiary Penitendiare Inristing. Available information indicates that Mr. Sánchez Aldana suffers from complete occlusion of the aorta and gangrene in the lower limbs, which are jeopardizing his life because of his state of health. In view of the risk to the beneficiary, the Commission requested the Government of Suriname to adopt the necessary measures to provide adequate medical care to Mr. Luis Miguel Sánchez Aldana, while he is under custody of penitentiary authorities. The Commission continues to monitor the situation of the protected person.
