42. On November 15, 2004, the IACHR granted precautionary measures in favor of Mr. Felipe Nery Páez Mauro and his family. Available information indicates that Mr. Felipe Nery Páez Mauro has been the target of threats and other acts of harassment—supposedly related to legal proceedings—and that he has not received protection from the authorities, although a legal order was issued for this purpose. In view of the risks to the beneficiary and his family, the Commission requested the Paraguayan State to adopt measures to protect the life and personal safety of Mr. Nery Páez Mauro and his family. The Commission continues to monitor the situation of the protected persons.
