14. On May 2, 2007, the IACHR granted precautionary measures in favor of Ms. X, whose identity has been kept under seal at the request of the applicants. The information available indicates that the beneficiary received several death threats by telephone after denouncing that she had been raped by members of the Colombian Army. In view of the information, the Commission asked the Colombian State to adopt the measures necessary to guarantee the life and physical integrity of the beneficiary, and to report on the actions taken to investigate judicially the facts that gave rise to the precautionary measures. The Commission continues to monitor the situation of the beneficiary.
