37. On April 6, 2009, the IACHR granted precautionary measures for Inés Yadira Cubero González, in Honduras. The request seeking precautionary measures alleges that Mrs. Inés Yadira Cubero González had been the target of an attempted shooting on March 16, 2009, allegedly due to her work as President of the Transparency and Anti-Corruption Commission of the Municipal Corporation of San Pedro Sula. The request further indicates that these acts were reported to the Office of the Public Prosecutor for Common Crimes in San Pedro Sula, but that Mrs. Inés Yadira Cubero had not been informed of the results of the investigation and had not been given any protection measures. The Inter-American Commission asked the State of Honduras to adopt the measures necessary to guarantee the life and physical integrity of the beneficiary, and to inform the IACHR about any actions taken to investigate the facts.
