35. On April 17, 2009, the IACHR granted precautionary measures for six persons in Haiti, whose identity is kept under seal at the request of the applicants. The request seeking precautionary measures alleges that these persons have been targets of threats and assaults on the part of State security agents since 2008. It is also alleged that the father of one of the beneficiaries of these measures was killed on March 28, 2009. The Inter-American Commission asked the State of Haiti to adopt the measures necessary to guarantee the life and physical integrity of the beneficiaries, and inform the IACHR about actions taken to investigate through the Judiciary the facts that led to the adoption of precautionary measures.
