15. On May 1, 2009, the IACHR granted precautionary measures for the leaders of Federación Agrominera del Sur de Bolívar (FEDEAGROMISBOL), in Colombia. The request seeking precautionary measures alleges that the leaders of FEDEAGROMISBOL have been the target of threats since April 2008, and that on April 22, 2009, a leader of the Federation, Mr. Edgar Martínez Ruiz, was killed. The Inter-American Commission asked the State of Colombia to adopt the measures necessary to guarantee the life and physical integrity of the beneficiaries, and to inform the IACHR about any actions taken to eliminate the risk factors to the beneficiaries.
