28. On October 7, 2009, the IACHR granted precautionary measures for the members of the Association of Friends of San Isidro (Asociación Amigos de San Isidro, ASIC), Héctor Antonio García Berríos, Alirio Napoleón Hernández Leiva and Miguel Ángel Rivera Moreno; for the members of the community radio Victoria, Alexander Beltrán Castillo, Ludwin Iraheta and Vladimir Abarca, and for the priest Luis Alberto Quintanilla, in El Salvador. The request seeking precautionary measures alleges that the beneficiaries have been the target of threats in the last few months, allegedly as a result of their activism in defense of the environment in the San Isidro county, department of Cabañas, and of complaints filed against the local public administration. The Inter-American Commission asked the State of El Salvador to adopt the measures necessary to guarantee the life and personal integrity of the beneficiaries, and to inform the IACHR about any actions taken to investigate the facts.
