ICC-01/04-01/07-209 20-02-2008 2/4 CB PT

I, Judge Sylvia Steiner, judge at the International Criminal Court (the "Court");

NOTING the applications for participation in the proceedings a/0327/07 to a/0337/07 and a/0001/08 ("the Applications") filed as confidential and ex parte on 30 January 2008 in the record of the case The Prosecutor v. Germain Katanga in which the applicants request to be granted the procedural status of victim in the proceedings of the case;1

**NOTING** the "Decision authorising the filing of observations on the applications for participation in the proceedings a/0327/07 to a/0337/07 and a/0001/08"2 ("the Decision") by which the Single Judge inter alia ordered the Registry to provide to the Defence, by Monday 18 February 2008, a redacted version of the Applications in which any information which might lead to the applicants being identified is redacted;

NOTING the "Request for extension of time limit for the transmission of redacted applications a/0327/07 to a/0337/07 and a/0001/08 for participation to the Defence" ("the Registry's Request"), filed on 18 February 2008 by which the Registry requested authorization to transmit the Applications to the Defence by Wednesday 20 February 2008;3

NOTING articles 57 (3)(c) and 68 (1) of the Rome Statute ("the Statute"), rules 86 and 89 of the Rules of Procedure and Evidence ("the Rules") and regulation 86 of the Regulations of the Court ("the Regulations");

ICC-01/04-01/07-209 20-02-2008 3/4 CB PT

CONSIDERING that the Registry's Request, in which the Registry informed the Single Judge of its difficulties in complying with the Decision within the time-limit set by the Single Judge,<sup>4</sup> was only filed on 18 February 2008 after 4 pm and notified to the Single Judge on 19 February 2008;

CONSIDERING that the Single Judge would like to emphasize that the Registry's difficulties in complying with the Decision were foreseeable and should have been brought to the attention of the Single Judge at an earlier stage; and that, in the view of Single Judge, the way in which the Registry has conducted itself in relation to the implementation of the Decision is detrimental to the applicants since:

- the time-limit for the submission of the Defence's observations on the Applications will only start running from the moment a redacted version of the Applications is provided to the Defence;
- (ii) the Single Judge can only issue a decision on the Applications after the expiration of such a time-limit (or after the filing by the Defence of its observations, if that takes place at an earlier date); and
- (iii) those applicants who will be granted the procedural status of victim, if any, will not be able to participate in a retroactive manner in relation to those proceedings of the case that have already been conducted;

**CONSIDERING** that, in the view of the Single Judge, the Registry is neither a party nor a participant in the proceedings of the case of *The Prosecutor v. Germain Katanga*; and that therefore, regulation 35 of the Regulations is not applicable to documents filed by the Registry;

n° ICC-01/04-01/07

19 February 2008

<sup>&</sup>lt;sup>4</sup> ICC-01/04-01/07-207, p. 2.

**CONSIDERING**, nevertheless, the need to immediately provide the Defence with a redacted version of the Applications so that the time-limit for the submissions of the Defence's observations, as set out by the Single Judge in the Decision can start running;

### FOR THESE REASONS

**ORDER** the Registry to provide the Defence, as soon as practicable but no later than Wednesday 20 February 2008 at 4 pm, with a redacted version of the Applications in which any information which might lead to the applicants being identified is redacted.

Done in both English and French, the English version being authoritative.
