### **DECISION**

The application is dismissed in part. The Decision of the Registrar is upheld in so far as it concerns the non-authorisation of private visits to the applicant and the monitoring of the non-privileged communications and visits of the applicant.

The Impugned Measures, in so far as they relate to the duration of visits where the language used is English or French and the frequency of weekend visits of the applicant, are quashed and remitted to the Chief Custody Officer for a new determination if deemed necessary.

The reasons for this decision will be given shortly.

Done in both English and French, the English version being authoritative.

A handwritten signature in black ink, appearing to read 'P. Kirsch', is written above a solid horizontal line that ends in an arrowhead pointing to the right.
