Request for Authorisation for Non-disclosure in the Summary of the Identity of the Witness and Members of his Family Contained in the Transcripts, Pursuant to Article 68(5) of the Rome Statute and Rule 81(4) of the Rules of Procedure and Evidence" dated 31 August 2009, whereby the Prosecutor, *inter alia*, requested the authorisation, pursuant to rule 81(4) of the Rules of procedure and Evidence, for non-disclosure, in the summaries of transcripts of interviews of witness DAR-OTP-WWWW0433, of any information contained in the transcripts that could reveal the witness' identity,

NOTING articles 54, 57(3), 61, 67 and 68 of the Statute of the Court (the "Statute") and rules 15, 76, 77, 81 and 121 of the Rules of Procedure and Evidence (the "Rules"),

HEREBY RENDER THIS DECISION.

1. The Single Judge recalls the First Decision on Anonymity, stating that in order for him to authorize the non-disclosure of the witnesses' identities and that of their family members, he must be satisfied of (i) the existence of a danger caused by disclosure of their identity and, by the same token, the fact that non-disclosure could reduce that danger, (ii) the necessity of the non-disclosure, including whether it is the least intrusive measure necessary to protect the witnesses and their family members, and (iii) the proportionality of non-disclosure in view of the prejudice caused to the rights of the suspect and a fair and impartial trial

2. The Prosecutor submits that "disclosure of the witness' identities and/or personal circumstances and that of members of his family would objectively point put him in jeopardy of being killed, physically harmed or intimidated"

3 Consistently with the established practice of the Chamber, the analysis of the individual security assessment of the witness and a full explanation of the reasons underlying the decisions taken in respect of him will be provided separately in the Annex attached to the present decision, issued *ex parte* and available only to the Prosecutor and the VWU

4 As regards the first criterion, the Single Judge recalls the First Decision, wherein he stated that “due, *inter alia*, to the fact that Abu Garda is not currently detained, disclosure of the names of the witnesses to the Defence inevitably raises the possibility that information disclosed even on a limited basis might be revealed more broadly”

5. Considering the reasons explained in the Annex to the present decision, the Single Judge is of the view that disclosing the name of the witness to the Defence would pose an unjustifiable risk to his safety and/or physical and psychological well-being

6 Moreover, the Single Judge, taking due consideration of both the personal circumstances of the witness and his current location as assessed in the Annex to the present decision, considers that no alternative measures short of anonymity for the witness are available and feasible in the present circumstances and, therefore, that the authorization of non-disclosing the witness' identity is currently necessary

7 Finally, as regards the criterion of proportionality, the Single Judge recalls the pre-trial nature of proceedings in which the non-disclosure is sought, considering, as held by the Appeals Chamber, that “[a]s such it may

permissible to withhold the disclosure of certain information from the defence prior to confirm the charges that could not be withheld prior to trial.”⁵

8. Taking into consideration the safety situation of the witness and the overall information provided by the Prosecutor and the VWU at this stage of the proceedings – as assessed in the Annex to the present decision – the Single Judge grants, pursuant to rule 81(4) of the Rules authorization for non-disclosure of the witness’ identity

FOR THESE REASONS

DECIDE

to authorise the non-disclosure in the summaries of information in the transcripts relating to the identities of witness DAR-OTP-WWWW-0433, as well as that of members of his families

DECIDE

to authorise the use the use of the number DAR-OTP-WWWW-0433 in reference to the witness for all subsequent proceedings, including during the Confirmation Hearing

⁵ ICC-01/04-01/07-475, para 68

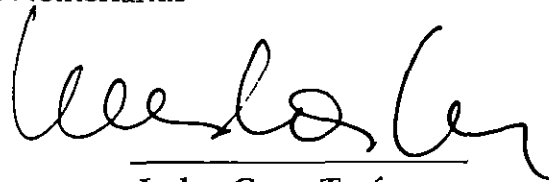

DECIDE

that the Prosecutor shall, by no later than Wednesday, 2 September 2009, make available to the Defence of Bahar Idriss Abu Garda the summaries of transcripts of interview of witnesses DAR-OTP-WWWW-0433, in compliance with the prescriptions contained in the Second Decision on Issues relating to Disclosure and in the revised E-court protocol.
