The Accused

Mr. Radovan Karadžić

THIS TRIAL CHAMBER of the International Tribunal for the Prosecution of Persons Responsible for Serious Violations of International Humanitarian Law Committed in the Territory of the former Yugoslavia since 1991 (“Tribunal”), having held a status conference on 2 April 2009 (“Conference”), as per Rule 65 *bis* of the Tribunal’s Rules of Procedure and Evidence (“Rules”), hereby renders this order.

1. During the Conference, the Chamber addressed a number of issues related to the Pre-trial management of the case, heard from both the Office of the Prosecutor (“Prosecution”) and the Accused on these issues, and made certain orders.
2. Rule 65 *ter*(D)(ii) of the Rules provides that the “pre-trial Judge shall establish a work plan indicating, in general terms, the obligations that the parties are required to meet pursuant to [their responsibility to prepare for trial], and the dates by which these obligations must be fulfilled”. Furthermore, Rule 65 *ter*(M) provides that a “Trial Chamber may *proprio motu* exercise any of the functions of the pre-trial Judge”.
3. Having heard from the parties on the various issues discussed at the Conference, and taking into consideration the progress in principle made by the parties toward bringing this case to trial, the Chamber considers that it is now time for a work plan to be issued so that this case can proceed expeditiously to trial.
4. The Chamber notes that disclosure has been made by the Prosecution of statements and/or reports of the following expert witnesses in terms of Rule 94 *bis*: José Baraybar, Kathryn Barr, Ewan Brown, John Clark, Richard Higgs, Johan de Koeijer, William Haglund, Christopher Lawrence, Christian Nielsen, Thomas Parsons, Freddy Peccerelli, Richard Wright, and Berko Zečević.
5. The Chamber also notes the indication given by the Prosecution at the Status Conference that it intends to file an expert report prepared by András Riedlmayer specifically relating to this case. The Prosecution has already filed a notice of disclosure of other expert reports prepared by Riedlmayer, and the Chamber considers that this notice should be withdrawn and replaced by a new one upon disclosure of the new report.
6. The Chamber further notes that the Prosecution intends to disclose the statements and/or reports of other expert witnesses in terms of Rule 94 *bis* in the course of the coming weeks, but considers that with regard to witness Richard Butler the date agreed at the Status Conference should be advanced by two weeks.

7. Accordingly, pursuant to Rules 54, 65 *bis*, 65 *ter*, 66, 67, 68, 72, 73 *bis*, 92 *bis*, 92 *ter*, 92 *quater*, and 94 *bis* of the Rules, the Trial Chamber hereby **AFFIRMS** its orders made at the Conference and further **ORDERS** as follows:

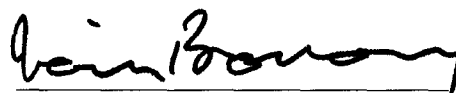

- (1) the Prosecution shall disclose, no later than 7 May 2009, its witness statements pursuant to Rule 66(A)(ii);
- (2) the Prosecution shall file, no later than 18 May 2009, the final version of its pre-trial brief, which shall conform to each of the requirements of Rule 65 *ter*(E)(i);
- (3) the Prosecution shall file, no later than 18 May 2009, its witness and exhibits lists, which shall conform to each of the requirements of Rules 65 *ter*(E)(ii) and (iii) and which shall indicate in addition, with respect to each witness, the exhibit(s) which will be referred to in the course of the evidence of the witness. The lists shall also indicate, with respect to each exhibit, which witness(es) will refer to the exhibit in evidence. The Prosecution shall also identify those witnesses and persons in respect of whom it will apply for admission of evidence in terms of Rule 92 *bis* or Rule 92 *quater*. With regard to each proposed *viva voce* witness, the Prosecution shall indicate whether any part of the evidence of the witness will be offered in the form of a statement or a transcript, pursuant to Rule 92 *ter*;
- (4) the Prosecution shall serve on the Accused, no later than 25 May 2009, any copies of exhibits falling within the terms of its Rule 65 *ter*(E)(iii) list that have not previously been disclosed to the Accused;
- (5) the Prosecution shall file, no later than 29 May 2009, its motion to admit written evidence pursuant to Rules 92 *bis* and 92 *quater*, in accordance with the witness and exhibit lists filed by 18 May 2009;
- (6) the Accused shall file notice in terms of Rule 94 *bis*(B) in respect to each of the witnesses listed above in paragraph four no later than 11 May 2009;
- (7) the Prosecution shall withdraw the notice of disclosure of András Riedlmayer's expert reports, filed on 25 March 2009;
