RATKO MLADIĆ

PUBLIC

**THIRD DECISION ON PROSECUTION MOTION FOR
JUDICIAL NOTICE OF ADJUDICATED FACTS**

Office of the Prosecutor

Mr Dermot Groome
Mr Peter McCloskey

Counsel for Ratko Mladić

Mr Branko Lukić
Mr Miodrag Stojanović

I. PROCEDURAL HISTORY

1. On 9 December 2011, the Prosecution filed a motion (“Motion”), requesting that the Chamber take judicial notice of certain adjudicated facts (“Proposed Facts”).¹ On 19 January 2012, the Chamber informed the parties that it would issue separate decisions on the Motion, each addressing one of the three Annexes of Proposed Facts.² On 28 February 2012, the Chamber issued its first decision on the Motion, addressing the Proposed Facts contained in Annex A (“First Decision”).³ The parties were also informed that the procedure for rebuttal evidence would be addressed in a separate decision.⁴ On 21 March 2012, the Chamber issued its second decision on the Motion, addressing the Proposed Facts contained in Annex B (“Second Decision”).⁵ For the full procedural history, the Chamber refers to paragraphs 1 through 3 of the First Decision.

II. SUBMISSIONS OF THE PARTIES

2. The Prosecution requests that the Chamber take judicial notice of 1,210 Proposed Facts contained in Annex C to the Motion.⁶ The Defence objects to the Chamber taking judicial notice of all 1,210 Proposed Facts.⁷ The Chamber recalls and refers to the parties’ submissions in relation to the Chamber taking judicial notice of Proposed Facts as set out in the First Decision.⁸

III. APPLICABLE LAW

3. The Chamber recalls and refers to the applicable law governing requests for judicial notice of adjudicated facts pursuant to Rule 94 of the Rules of Procedure and Evidence (“Rules”) as set out in the First Decision.⁹

IV. DISCUSSION

A. General considerations

¹ Prosecution Motion for Judicial Notice of Adjudicated Facts, 9 December 2011.

² T. 171.

³ First Decision on Prosecution Motion for Judicial Notice of Adjudicated Facts, 28 February 2012.

⁴ First Decision, para. 9.

⁵ Second Decision on Prosecution Motion for Judicial Notice of Adjudicated Facts, 21 March 2012.

⁶ Motion, paras 1, 17-19, 33, Annex C.

⁷ Defence Response to Prosecution Motion for Judicial Notice of Adjudicated Facts Filed 9 December 2011, 1 February 2012 (“Response”). Due to a clerical error, the Defence filed a corrigendum to the Response on 2 February 2012 (Corrigendum to Defence Response to Prosecution motion for Judicial Notice of Adjudicated Facts Filed 9 December 2011, 2 February 2012), para. 17.

⁸ First Decision, paras 4-5; See Motion, paras 1-2, 4-7, 10-11, 13-14, 24; and Response, paras 7-8, 13-14, 19, 21.

⁹ First Decision, paras 6-8.

4. The Chamber recalls and refers to the General Considerations in the First Decision related to: 1) reading a Proposed Fact in context;¹⁰ 2) taking judicial notice of facts of common knowledge pursuant to Rule 94 (A);¹¹ 3) citations to portions of Appeals judgements;¹² and 4) instances where a Proposed Fact refers to a document in which a certain issue was reported or stated.¹³ The Chamber also recalls and refers to its General Consideration in the Second Decision concerning references to multiple sources from different judgements.¹⁴ Pursuant to Rule 94 (A), the Chamber takes judicial notice of Proposed Facts Nos 1676-1677, 1947, and 1958. Proposed Fact No. 1675, which constitutes a fact of common knowledge, will not be further considered, as it is repetitive of Proposed Facts Nos 1676-1677.

5. In relation to the general objections of the Defence, the Chamber recalls and refers to its Discussion in the First Decision regarding: 1) taking judicial notice of a large number of Proposed Facts not *per se* affecting the fairness of the trial;¹⁵ 2) the Chamber being bound by other Trial Chambers' decisions with regard to Proposed Facts;¹⁶ 3) striking the right balance between fairness and expediency of the trial;¹⁷ 4) referrals to incorrect paragraphs in the original judgements;¹⁸ and 5) taking judicial notice of Proposed Facts relating to military rules or regulations.¹⁹

6. In instances where the Chamber is satisfied that only a portion of a Proposed Fact meets the requirements for judicial notice, it will take judicial notice of that particular portion only. An Annex to this decision contains a list of adjudicated facts reformulated or redacted by the Chamber. Furthermore, the Chamber will not make purely editorial corrections to the Proposed Facts, such as adding a full stop at the end of a sentence, unless another reformulation is also required.

B. The Proposed Fact Must be Distinct, Concrete, and Identifiable

¹⁰ First Decision, para. 10. For example, Proposed Facts Nos 1779 and 1781-1782 are to be read together for context.

¹¹ First Decision, para. 17.

¹² First Decision, para. 16. This applies to Proposed Facts Nos 1838, 1841, 1868, 2527, and 2821.

¹³ First Decision, para. 13. This can be illustrated by For example, in evaluating Proposed Fact No. 2844, the Chamber would take judicial notice of the fact that an SRK report of 30 June 1995, signed by the SRK Commander General Dragomir Milošević stated that the artillery forces responded with precision to the Muslim artillery attacks, and that in one such response on 28 June they hit the BHRT[V], radio and television centre, and that the centre of media lied against the just struggle of the Serb people. The Chamber would not take judicial notice of the veracity of the description of the facts in the report.

¹⁴ Second Decision, para. 6.

¹⁵ First Decision, para. 12.

¹⁶ First Decision, para. 19.

¹⁷ First Decision, para. 11.

¹⁸ First Decision, para. 20.

¹⁹ First Decision, para. 18.

7. The Chamber recalls and refers to its Discussion in the First Decision related to the distinction between a factual finding and a mere recitation of evidence presented before a Trial Chamber.²⁰

8. The Chamber notes that the Trial Judgement in the case of *Prosecutor v. Stanislav Galić* (“*Galić* Trial Judgement”) is constructed in such a way that certain sections contain both a recitation of evidence and the factual findings made by the Trial Chamber. In its selection of Proposed Facts, the Prosecution often directed the Chamber to the parts of the *Galić* Trial Judgement where evidence is (re)presented and discussed. For example, Proposed Fact No. 2415, which represents evidence given by a witness with respect to the shelling incident in Ailpašino on 22 January 1994, states the following:

Witness AI testified that the morning had been exceptionally peaceful, with no shooting.

Based on the testimony of this witness and other evidence presented before it, the *Galić* Trial Chamber made the following finding:

The attack was carried out on an otherwise quiet day during a lull in hostilities.

This finding was also submitted by the Prosecution as Proposed Fact No. 2427. Accordingly, the Chamber will further consider Proposed Fact No. 2427 and not Proposed Fact No. 2415.

9. The Prosecution has not always directed the Chamber in a similar manner to the portions of the *Galić* Trial Judgement where the Trial Chamber makes its findings, but has instead submitted certain Proposed Facts originating from paragraphs where evidence is merely discussed. However, in certain instances, where the Chamber was able to easily identify that a particular portion of evidence, representing a Proposed Fact, was later restated or accepted by the *Galić* Trial Chamber when reaching its findings, the Chamber will further consider these Proposed Facts for the purpose of taking judicial notice. With respect to sniping and shelling incidents (Chapter III, “Factual and Legal Findings”, Section C, Subsections 1-3), there appear to be two ways in which the *Galić* Trial Chamber approved the evidence presented before it. The first case is where a discussion of evidence is followed by the Trial Chamber’s explicit acceptance of the description of the incident as recounted by a witness.²¹ In such situations, the Chamber is satisfied that the *Galić* Trial Chamber made findings on all of the details of the incident, unless there is an indication that a particular

²⁰ First Decision, paras 22-23.

²¹ For example, the last sentence of para. 267 of the *Galić* Trial Judgement states: “The Trial Chamber is satisfied that the incident occurred as recounted by the witness”; and the first sentence of para. 375 states the following: “The Majority is convinced that the shelling incident of 1 June 1993 [...] occurred as recounted by eye-witnesses.”

portion was not accepted.²² The second case refers to situations where the Trial Chamber clearly restates certain portions of evidence in its findings, and it is clear from the language and the context that the Trial Chamber made findings on these particular portions of evidence. The Chamber is satisfied that such Proposed Facts constitute factual findings made by the *Galić* Trial Chamber. For example, Proposed Fact No. 2499, sourced from paragraph 454 and representing the testimony of an individual known as Witness AF in the *Galić* case, is later confirmed to a great extent in paragraph 491 of the *Galić* Trial Judgement. Although the Prosecution did not refer to paragraph 491 as the source of Proposed Fact No. 2499, the Chamber will consider it when making its decision.²³ Consequently, the Chamber will modify Proposed Fact No. 2499 in accordance with paragraph 491.²⁴ The Chamber underlines that only the portions of Proposed Facts that are actually reflected in the Trial Chamber's findings will be further considered and examined against the other criteria for taking judicial notice.

10. In line with its General Considerations related to instances where a Proposed Fact refers to a document in which a certain issue was reported or stated,²⁵ the Chamber will further consider Proposed Facts from Chapter III, Section C, Subsections 1-3 of the *Galić* Trial Judgement, even though they originate from the part of the Judgement where evidence is discussed, when it is clear from the language used by the Trial Chamber that the content of this evidence is implicitly evaluated and accepted.²⁶

11. Furthermore, Proposed Facts originating from Chapter III, Section B of the *Galić* Trial Judgement contain historical facts pertaining to the break-up of the Socialist Federal Republic of

²² Proposed Facts Nos 2239-2249 are accepted in their entirety by the Trial Chamber in the last sentence of para. 267 of the Trial Judgement; Proposed Facts Nos 2267-2271 and 2273-2274 are accepted in their entirety in para. 319; Proposed Facts Nos 2364-2368 and 2370-2383 are accepted in their entirety in para. 375; Proposed Facts Nos 2585-2594 are accepted in their entirety in the last sentence of para. 547; Proposed Facts Nos 2606-2613 are accepted in their entirety in para. 248; Proposed Facts Nos 2629-2635 are accepted in their entirety in the last sentence of para. 519; Proposed Fact No. 2638 is partially accepted in the last sentence of para. 520; Proposed Facts 2646-2653 are accepted in their entirety in the last two sentences of para. 552; Proposed Facts Nos 2664-2671 and 2673 are accepted in their entirety in the last sentence of para. 273; and Proposed Facts Nos 2694-2703 are accepted in their entirety in para. 279.

²³ Similarly, Proposed Fact No. 2017 is confirmed by the Trial Chamber in para. 591 of the Trial Judgement; Proposed Facts Nos 2018-2019, 2039, 2048, 2134-2135, 2159, and 2161 are confirmed in para. 583; Proposed Facts Nos 2093 and 2094 are confirmed in para. 509; Proposed Fact No. 2224 is partially confirmed in para. 355; Proposed Fact No. 2227 is partially confirmed in para. 355 and footnote 1123; Proposed Fact No. 2396 is confirmed in para. 382; Proposed Fact No. 2482 is confirmed in para. 463; and Proposed Fact No. 2680 is partially confirmed in para. 276.

²⁴ Similarly, Proposed Fact No. 2227 will be modified in accordance with the original judgment.

²⁵ See *supra* para. 4.

²⁶ This is the case, for example, with Proposed Facts Nos 2444 and 2458.

Yugoslavia,²⁷ and, as such, they represent factual findings of the *Galić* Trial Chamber, which can therefore be judicially noticed, subject to them meeting the other criteria for taking judicial notice.

12. Lastly, in Chapter IV of the *Galić* Trial Judgement, the factual findings are mostly located in the “Conclusions” Subsections. The Chamber will therefore further consider Proposed Facts originating from other subsections of this chapter only when it is clear from the language and the context that these Proposed Facts constitute factual findings of the Trial Chamber.²⁸

13. In the Trial Judgement of *Prosecutor v. Dragomir Milošević* (“*Dragomir Milošević* Trial Judgement”), the Trial Chamber’s findings on sniping and shelling incidents are located under the “Findings” headings in Chapter II - “Evidence”, Section E, Subsections 4-6. Subsection 5 does not contain any “Findings”. The Chamber considers that, in this Subsection, only Proposed Facts Nos 2090 and 2109 represent factual findings of the Trial Chamber. In relation to Subsections 4 and 6, in view of the construction of this Trial Judgement, the Chamber will not further consider any Proposed Facts located outside the “Findings” sections, save for the following two situations.

14. First, when it is clear from the language or the context in which the Proposed Facts are placed that they represent the *Dragomir Milošević* Trial Chamber’s findings. This can be illustrated by Proposed Fact No. 2804, which originates from paragraph 342 of the *Dragomir Milošević* Trial Judgement, and is thus located outside the “Findings” section. The Proposed Fact states:

Sredenik was a civilian area, with a civilian population.

In the original Judgement, this fact reads:

Based on the evidence of Derviša Selmanović, Nedžib Đozo, Tarik Žunić and Lt. Col. Konings, the Trial Chamber finds that Sredrenik was a civilian area, with a civilian population.

It clearly follows that Proposed Fact No. 2804 represents a factual finding of the *Dragomir Milošević* Trial Chamber, and it will therefore be further considered.²⁹

Second, the Chamber will further consider the Proposed Fact when it is clearly restated by the Trial Chamber in the “Findings” section, even if the Prosecution did not direct the Chamber to this portion of the Judgement. For example, even though Proposed Facts Nos 1888, 1889, and 1891 are taken from paragraphs 94, 95, and 97 of the *Dragomir Milošević* Trial Judgement, where evidence

²⁷ See *Galić* Trial Judgement, para. 191. The Trial Chamber announces its “review of events preceding the Indictment Period for a better understanding of the context in which the case is situated, in particular the history of the break-up of the Socialist Federal Republic of Yugoslavia, which has been described in previous Judgements of this Tribunal and need not be repeated in lengthy detail [...]”

²⁸ This is the case, for example, with Proposed Facts Nos 1774 and 1775.

²⁹ This is the case with Proposed Facts Nos 2297, 2299-2300, 2535, 2798, 2804, 2848, and 2880.

is discussed, the Chamber notes that they are restated by the *Dragomir Milošević* Trial Chamber in the “Findings” section at paragraph 107 of the Judgement. The Chamber will therefore further consider these Proposed Facts.³⁰

15. Furthermore, with respect to the “Evidence” Chapter of the *Dragomir Milošević* Trial Judgement, the Chamber notes that although Subsections 1 and 2 of Section A do not contain any subsections explicitly characterised as “Findings”, they contain what are essentially factual findings of the *Dragomir Milošević* Trial Chamber, referring to historical and geographical facts, and that therefore Proposed Facts originating from these portions of the Judgement may be judicially noticed, subject to them meeting the other criteria for taking judicial notice.³¹

16. A number of Proposed Facts referring to historical events, in both the *Galić* Trial Judgement (Chapter III, Section B) and *Dragomir Milošević* Trial Judgement (Chapter II, Section A, Subsections 1 and 2) come from the expert report of Mr. Robert Donia. The Chamber recalls that Mr. Donia has not yet drafted an updated report for the present case.³² In this respect, the Chamber refers the Prosecution to its guidance given at the Status Conference, on 10 November 2011, where the parties were instructed not to request that the Chamber take judicial notice of those facts for which they intend to present other evidence, to avoid having the same matter entered into the evidentiary record twice.³³ In situations where witness testimony or an expert report overlap with one or several judicially noticed facts, the Chamber expects the parties to demonstrate in advance why they are seeking to have it introduced.³⁴

17. Additionally, Subsection 3 of Section A in the “Evidence” Chapter in the *Dragomir Milošević* Trial Judgement, contains information related to the United Nations presence in Sarajevo, and that in this respect the evidence presented before the *Dragomir Milošević* Trial Chamber was “largely uncontested.”³⁵ Although there is no “Findings” section, the Chamber will further consider Proposed Facts originating from Subsection 3, unless it is clear from the text of the original Judgement that the Proposed Fact had been contested by the parties.³⁶ Subsection 4 of Section A

³⁰ Similarly, Proposed Fact No. 2302 is confirmed by the Trial Chamber in para. 265; Proposed Fact No. 2315 is partially confirmed in paras 339 and 341; Proposed Fact No. 2354 is partially confirmed in para. 378 of the Trial Judgement; Proposed Facts Nos 2529-2530 are confirmed in para. 495; Proposed Fact No. 2549 is partially confirmed in para. 531; Proposed Fact No. 2807 is partially confirmed in para. 364; and Proposed Fact No. 2844 is confirmed in para. 622.

³¹ This applies to Proposed Facts Nos 1673, 1678, 1682-1692, 1695-1701, 1705, 1708-1710, and 1716-1717.

³² See Sixth Prosecution Report on Pre-Trial Preparations (Confidential with Confidential Annexes), Annex C, p. 27.

³³ T. 103.

³⁴ Ibid.

³⁵ See para. 30 of the *Milošević* Trial Judgement.

³⁶ For example, it is clear from footnote no. 133 to para. 39 of the *Dragomir Milošević* Trial Judgement that the first sentence of Proposed Fact No. 1732, which states that “UNMOs were unarmed”, was contested. Consequently,

contains a combination of discussion of evidence and factual findings of the *Dragomir Milošević* Trial Chamber. Proposed Facts originating from this portion of the Judgement will not be further considered unless it is clear from the text that they represent factual findings of the Trial Chamber.³⁷

18. With respect to Subsection 3 of Section B in the “Evidence” Chapter, the Chamber further clarifies that paragraphs 111-136 present evidence, which was largely uncontested. The factual findings of the *Dragomir Milošević* Trial Chamber on this evidence can be found under the “Findings” heading in the same subsection in paragraphs 137-140. With respect to this subsection, the Chamber will therefore only further consider Proposed Facts which originate from the “Findings” section.

19. With regard to Chapter III, Section B, Subsection 1 of the *Dragomir Milošević* Trial Judgement, Proposed Facts originating from paragraphs 959-977 represent a discussion of evidence by the Trial Chamber. Consequently, unless it is evident from the language used by the Trial Chamber that a particular factual finding was made, Proposed Facts originating from this Subsection will not be further considered.³⁸ The same applies to Chapter II, Section E, Subsections 7-9, and Section F, which, to a great extent, contain merely a discussion of evidence.³⁹

20. Based on the above considerations, the Chamber finds that Proposed Facts Nos 1715, 1718, 1738-1744, 1746-1752, 1755, 1768, 1770-1772, 1783-1786, 1797-1804, 1826, 1829, 1832-1833, 1842-1843, 1865, 1870-1873, 1877-1880, 1884-1885, 1890, 1893-1896, 1898-1901, 1906-1916, 1923, 1925-1926, 1928-1929, 1933-1935, 1939, 1944-1946, 1950-1953, 1960, 1965, 1968-1974, 1976-1984, 1988-2007, 2009-2011, 2013-2016, 2026-2035, 2038, 2046, 2059, 2061-2064, 2067-2089, 2091-2092, 2095, 2097-2108, 2110-2114, 2116, 2119-2120, 2123-2132, 2136-2137, 2139, 2141-2142, 2144-2152, 2155-2158, 2163-2205, 2207-2218, 2223, 2225-2226, 2229, 2232, 2235, 2250-2251, 2257-2259, 2261, 2264, 2272, 2276, 2279, 2282, 2285-2296, 2298, 2301, 2305-2314, 2316, 2320-2333, 2338-2342, 2344, 2346-2350, 2355-2361, 2363, 2369, 2384, 2387-2388, 2390, 2392-2395, 2398, 2403-2405, 2409-2425, 2429-2430, 2437-2443, 2445-2457, 2459-2465, 2468-

Proposed Fact No. 1732 will be redacted. The following Proposed Facts originating from Subsection 3, Section A of Chapter II constitute factual findings: Nos 1719, 1728-1730, 1732-1733, 1735-1737.

³⁷ Subsection 4 begins with para. 46, which states the following: “Evidence of various peace initiatives; launched by UNPROFOR, both before and during the Indictment period, was presented during trial.” Furthermore, this Subsection contains sentences such as: “The Defence submitted [...]”, “There is evidence that [...]”, “Col. Dragičević [...] testified that [...]”, which appear to indicate that evidence is being discussed in this subsection. Only the following Proposed Facts represent factual findings: Proposed Facts Nos 1745, 1753, and 1756-1767.

³⁸ See, for example, para. 960, where the Trial Chamber contrasts evidence, only to arrive at a conclusion at the end of the paragraph.

³⁹ By contrast, see, for example Proposed Fact No. 1839, sourced from para. 822 of the *Dragomir Milošević* Trial Judgement, and Proposed Fact No. 2060, sourced from para. 751, which contain findings of the Trial Chamber.

2472, 2479-2481, 2484-2494, 2497-2498, 2500-2503, 2505-2510, 2514, 2516, 2518, 2532-2534, 2536-2538, 2543-2545, 2547, 2550-2553, 2556-2560, 2563, 2565-2569, 2572-2575, 2579, 2581-2584, 2597-2599, 2603, 2605, 2620-2622, 2636, 2640-2641, 2654-2658, 2672, 2675, 2677-2678, 2681-2686, 2688, 2691, 2704, 2713-2718, 2720-2731, 2735-2737, 2742-2744, 2746-2751, 2758, 2761-2768, 2772-2773, 2775-2781, 2784-2785, 2789-2797, 2799-2800, 2805-2806, 2808-2810, 2812-2816, 2818, 2822-2825, 2829, 2831-2832, 2836-2843, 2847, 2850, 2853-2854, 2856-2857, 2859-2863, 2867, 2870, 2873, 2875-2876, 2879, and 2881-2882 are not the relevant Trial Chamber's findings and therefore will not be further considered.

21. The Chamber observes, recalling and referring to its Discussion in the First Decision,⁴⁰ that a number of Proposed Facts contain essentially subjective qualifications which cannot be considered to be of a factual nature. For this reason, Proposed Facts Nos 1897 and 2642 will not be considered further.

22. The Chamber recalls and refers to its Discussion in the First Decision related to repetitive Proposed Facts.⁴¹ The Chamber has carefully examined the following Proposed Facts and considers that, on the basis of the underlying evidence, they substantially overlap with other Proposed Facts: Proposed Facts Nos 1675, 1690-1691, 1702, 1717, 1812, 1831, 1941, 1985, 1987, 2017, 2094, 2109, 2133, 2228, 2254-2255, 2274, 2284, 2315, 2467, 2483, 2512, 2521, 2570, 2596, 2600, 2614-2615, 2692, 2707-2708, 2739-2740, 2798, 2811, 2851, and 2864.⁴² The Chamber finds that Proposed Fact No. 1689 is identical to the first sentence of Proposed Fact No. 110. These Proposed Facts will not be considered further.

24. The Chamber will merge Proposed Fact No. 1780 with Proposed Fact No. 1779, Proposed Fact No. 1794 with Proposed Fact No. 1793, Proposed Fact No. 2066 with Proposed Fact No. 2065, Proposed Fact No. 2224 with Proposed Fact No. 2238, Proposed Fact No. 2253 with Proposed Fact No. 2256, and Proposed Fact No. 2337 with Proposed Fact No. 2335. 25. In conclusion, the Chamber finds that the following facts do not fulfil the first criterion for judicial notice and will, therefore, not be further considered: 1675, 1678, 1684, 1689-1691, 1702, 1715, 1717-1718, 1738-1744, 1746-1753, 1755, 1768, 1770-1772, 1780, 1783-1786, 1794, 1797-1804, 1812, 1826, 1829, 1831-1833, 1842-1843, 1865, 1870-1873, 1877-1880, 1884-1885, 1890, 1893-1901, 1906-1916, 1923, 1925-1926, 1928-1929, 1933-1935, 1939, 1941, 1944-1946, 1950-1953, 1960, 1965, 1968-1974, 1976-1985, 1987-2007, 2009-2011, 2013-2017, 2026-2035, 2038, 2046, 2057, 2059, 2061-2064, 2066-2089, 2091-2092, 2094-2095, 2097-2114, 2116, 2119-2120, 2123-2133, 2136-2137, 2139, 2141-2142, 2144-2152, 2155-2158, 2163-2205, 2207-2218, 2223-2226, 2228-2229, 2232, 2235, 2250-2251, 2253-2255, 2257-2259, 2261, 2264, 2272, 2274, 2276, 2279, 2282, 2284-2296, 2298, 2301, 2305-2316, 2320-2333, 2337-2342, 2344, 2346-2350, 2355-2361, 2363, 2369, 2384, 2387-2388, 2390, 2392-2395, 2398, 2400, 2403-2405, 2409-2425, 2429-2430, 2437-2443, 2445-2457, 2459-2465, 2467-2472, 2479-2481, 2483-2498, 2500-2503, 2505-2510, 2512, 2514, 2516, 2518, 2521, 2532-2534, 2536-2538, 2543-2545, 2547, 2550-2553, 2556-2560, 2563, 2565-2570, 2572-2575, 2579, 2581-2584, 2596-2600, 2603, 2605, 2614-2615, 2619-2622, 2636, 2640-2642, 2654-2658, 2672, 2675, 2677-2678, 2681-2686, 2688, 2690-2692, 2704, 2707-2708, 2713-2732, 2735-2737, 2739-2740, 2742-2744, 2746-2751, 2758, 2761-2768, 2772-2773, 2775-2781, 2784-2785, 2789-2800, 2805-2806, 2808-2816, 2818, 2822-2825, 2829, 2831-2832, 2836-2843, 2847, 2850-2851, 2853-2854, 2856-2857, 2859-2864, 2867, 2870, 2873, 2875-2876, 2879, and 2881-2882.

26. In addition, the Chamber also identified a number of Proposed Facts that do not satisfy the required criterion and of which the Chamber cannot take judicial notice in their present form.⁴⁴ For example, Proposed Facts Nos 1927, 2318, and 2482 lack time or place references. Proposed Facts

⁴³ Only a certain portion of Proposed Fact No. 2057 is vague, but as the remainder of the fact is repetitive of Proposed Fact No. 2053, it will not be considered further.

Nos 1732, 1734, 2242, 2391, 2434, 2623-2624, 2638 and 2680 contain, in addition to the relevant Trial Chamber's findings, portions referring to discussion of evidence presented before the relevant Trial Chambers. Proposed Facts Nos 1703, 1790, 1867, 1942, 2060, 2096, 2407, 2595, 2625, and 2689 contain, in addition to factual findings, essentially subjective qualifications by the original Trial Chambers. Further, Proposed Fact No. 2354 is partially repetitive of Proposed Fact No. 2362. Certain Proposed Facts contain cross-references to other parts of the judgements they originate from.⁴⁵ Instead of rejecting those Proposed Facts in their entirety, the Chamber will reformulate or redact them, in accordance with the requirements of this criterion (see Annex). Furthermore, certain Proposed Facts contain incorrect references to the judgements they originate from.⁴⁶

C. The Proposed Fact Must be Relevant to the Matters at Issue in the Current Proceedings

27. The Prosecution submits that all the Proposed Facts are relevant to the current case.⁴⁷ The Defence challenges a large number of Proposed Facts on this basis.⁴⁸ The Chamber recalls its Discussion in the First Decision in relation to the present criterion, and refers to its consideration of the Defence's objections therein.⁴⁹ Having assessed the Proposed Facts one by one, the Chamber considers that all Proposed Facts are relevant to the matters at issue in the current proceedings.

D. The Proposed Fact Must not Contain any Findings or Characterizations that are of an Essentially Legal Nature

28. The Prosecution submits that the Proposed Facts fulfil the present criterion.⁵⁰ The Defence submits that certain Proposed Facts do not satisfy this criterion.⁵¹ The Chamber recalls and refers to its Discussion in the First Decision related to terms having both a legal and a factual meaning.⁵²

29. The Chamber finds that Proposed Facts Nos 1814-1819, 1867,⁵³ 2008, 2012, 2019, 2022, 2040-2044, 2055, 2058, 2060,⁵⁴ 2118, 2138, 2140, 2236, 2408, 2435, 2526-2527, 2643-2644, 2710,

⁴⁴ Proposed Facts Nos 1692, 1699, 1701, 1792, 1822, 1857, 1927, 1962-1963, 2096, 2256, 2269, 2318, 2334, 2336, 2343, 2397, 2482, 2499, 2511, 2561, 2606, 2613, 2617, 2624, 2628, 2647-2648, 2664, 2701, 2709, 2733, 2782, 2801, 2807, 2817, 2826, 2830, and 2852.

⁴⁵ Proposed Facts Nos 1736, 1918, 1927, 1936, 2090, 2219, 2230-2231, 2234, 2297, 2300, 2304, 2317, 2428, 2431, 2476, 2519, 2548, 2576, 2585, 2587, 2601-2602, 2618, 2625, 2627, 2629, 2637, 2639, 2647-2648, 2650, 2659, 2679, 2697, 2700, 2705-2706, 2734, 2845, 2865, 2877, and 2880.

⁴⁶ Proposed Fact No. 1813 originates from para. 738 of the *Galić* Trial Judgement, and Proposed Fact No. 2302 originates from para. 265 of the *Dragomir Milošević* Trial Judgement.

⁴⁸ Response, paras 16-17 (code B1, C1, C12).

⁴⁹ First Decision, paras 34-35.

⁵⁰ Motion, para. 6.

⁵¹ Response, para. 17 (code C10).

⁵² First Decision, para. 37.

2712, and 2821 contain findings or characterizations of an essentially legal nature. The Chamber will therefore not take judicial notice of these Proposed Facts.

30. The Chamber further finds that portions of Proposed Facts Nos 1853, 2037, 2050, 2090, 2222, 2238, 2256, 2266, 2268, 2283, 2304, 2318, 2362, 2397, 2528, 2623, 2628, 2645,⁵⁵ 2653, 2660, 2662-2663, 2689, 2693, 2709, 2711, 2738, 2801, and 2826 contain findings or characterizations of an essentially legal nature. Instead of rejecting these Proposed Facts in their entirety, the Chamber will reformulate them in such a way that they contain only factual findings (see Annex).

E. The Proposed Fact Must not be Based on an Agreement Between the Parties to the Original Proceedings

31. The Prosecution submits that the Proposed Facts fulfil this criterion.⁵⁶ The Defence challenges a number of Proposed Facts under this criterion, and also submits that if the original Judgement contains no source reference in a footnote, the finding of that Trial Chamber could be based on an agreed fact.⁵⁷ The Chamber recalls and refers to its Discussion in the First Decision related to Proposed Facts based on an agreement between the parties.⁵⁸

32. In accordance with the above, the Chamber considers that Proposed Fact No. 1789 is taken from a sentence in paragraph 609 of the *Galić* Trial Judgement, which begins with the phrase “there is no dispute between the parties” and is footnoted to the Prosecution Pre-Trial Brief and Defence Pre-Trial and Final Trial Briefs. The Chamber considers that this is a strong textual indication that the Proposed Fact is based on an agreement between the parties in the original proceedings, and the Chamber will not consider the Proposed Fact further.

33. Furthermore, Proposed Facts Nos 1711-1712, 1773, and 1823 are based on an agreement between the parties and, therefore, will not be considered further. Additionally, Proposed Fact No. 1779 is partially based on “Stipulations”.⁵⁹ This portion will not be further considered (see Annex). With regard to Proposed Fact No. 2432, it is clear from the context in which the fact is placed in the original judgement that the word “undisputed” does not refer to agreed facts.

⁵³ Only a certain portion of Proposed Fact No. 1867 contains findings of an essentially legal nature, but as the remainder of the Proposed Fact contains essentially subjective qualifications, it will not be considered further.

⁵⁴ Only a certain portion of Proposed Fact No. 2060 contains findings of an essentially legal nature, but as the remainder of the Proposed Fact contains essentially subjective qualifications, it will not be considered further.

⁵⁵ Proposed Fact No. 2645 goes with the sniping incident of 25 June 1993 (see Annex, section IV.B.1b)), and not with the sniping incident of 24 July 1993 (see Annex, section IV.B.1d)), as submitted by the Prosecution.

⁵⁹ *Galić* Trial Judgement, fn. 366.

F. The Proposed Fact Must not have been Contested on Appeal, or, if it has, the Fact has been Settled on Appeal

34. The Prosecution submits that the Proposed Facts satisfy this condition.⁶⁰ The Defence does not challenge any Proposed Facts on this criterion. The Chamber finds that all Proposed Facts satisfy this criterion.

G. The Proposed Fact Must not Relate to Acts, Conduct, or Mental State of the Accused

35. The Prosecution submits that all of the Proposed Facts satisfy this criterion.⁶¹ The Defence challenges a number of Proposed Facts under this criterion.⁶² The Chamber recalls and refers to its Discussion in the First Decision in relation to this criterion.⁶³ The Chamber concludes that Proposed Fact No. 1754 does not fulfil this criterion, and it will not be considered any further.

H. The Proposed Fact as Formulated by the Moving Party Must not Differ in any Substantial Way from the Facts Actually Adjudicated in the Original Judgement

36. The Prosecution submits that the Proposed Facts do not differ in a substantial way from the facts actually adjudicated in the original judgements.⁶⁴ The Defence challenges a number of the Proposed Facts under this criterion.⁶⁵ The Chamber recalls and refers to its Discussion in the First Decision related to misleading or inconsistent Proposed Facts.⁶⁶ In accordance with the above, the Chamber finds that Proposed Fact No. 1858 is misleading and will therefore not be judicially noticed.

37. The Chamber notes that a number of Proposed Facts are not consistent with the text of the original judgments, in that they contain time-references, which do not flow directly from the text of the original judgments.⁶⁷ Having examined these Proposed Facts in the context of the judgments they originate from, the Chamber will accept the time-reference proposed by the Prosecution.

⁶⁰ Motion, para. 19.

⁶³ First Decision, para. 45.

⁶⁴ Motion, paras 6-7.

⁶⁵ Response, para. 16 (code C5).

⁶⁶ First Decision, paras 47-48.

⁶⁷ These are Proposed Facts Nos 1725, 1735, 1806, 1825, 1835, 1854, 1938, 1940, 1954-1957, 1961, and 1967.

38. Lastly, Proposed Facts Nos 1883, 1943, 1964, 2266, 2343, 2436, 2458, 2546, 2759, 2771, 2855, and 2868, which do not accurately reflect the text of the original judgements will be reformulated in accordance with the present criterion (see Annex).
