	10:23:12 JUDGE KWON: But before doing so, can we go back to 65 ter 24345.		
	10:23:23 MS. WEST: Yes.		
	10:23:23 JUDGE KWON: You asked the witness about his transfer, but I'm		
22	10:23:26 not sure he read out the remainder of that passage, and I would like him		
23	10:23:30 to comment, make a comment.		`
	10:23:33 MS. WEST: Thank you.		
25	10:23:33 JUDGE KWON: Next page, probably. Yes. You were read out you		
32:3	10:23:44 heard the penultimate paragraph, but the paragraph following that reads		
1 12	10:23:50 like this: The opinion of large number of troops from the Raljevac		
1	10:23:58 garrison is that the mentioned Mihajlo Vujasin is a man who obstructed		
- È, 4	18:24:04 many an action. For example, the mopping up of Sokolje and ^ hill, that		
	10:24:14 he is directly answerable for the troops of TO, BiH getting as near as		
ŧ	10:25:02 near as the garrison gates, et cetera.	South South Stand	a
	He here have been a start of the		
	10:25:02 also found out unofficially that he was transferred to Lukavica."		
	10:25:02 Do you have any comment on this?		
	10:25:03 THE ACCUSED: [Interpretation] May I? It's just a question of		
	10:25:03 whether this sensitive matter should be broadcast.		
	10:25:06 THE WITNESS: [Interpretation] Well, I am a man made according to		
	10:25:11 a different measure. I am not someone who accords with the measure of		
	10:25:17 other people. What was happening at the time were these Serbian houses		
	10:25:29 were being freed. In my opinion, even now I think that there was no need		
	18:25:32 for us to expose ourselves to death and getting killed, and this applied		
	10:25:37 to the other side as well. This was Muslim territory and response to		
	10:25:43 pressure and requests from the population which escaped or fled from		
	10:25:48 Sokolje needed to organise the army and to have the people returned.		
	10:25:52 However, those people who came from down from up there, who came down		
	10:25:56 from up there were taken to the barracks, and then they staged an		
	10:26:04 uprising at the barracks that I was a demagogue, that I was not on their		
	10:26:08 side, and so on and so forth. That was the main reason. And they		
	10:26:15 exerted the most pressure for their houses, their villages, furniture and		
	10:26:21 frig else that was up there to be liberated and just sit back and behave 10:26:24 like gentlemen. So that was the reason and then the easiest thing is to		
	10:26:28 declare someone a demagoque. I can continue then once Goljanin came a		
	10:26:35 month or two later he wanted to return those positions that were lost in		
	10:26:40 the beginning and he did that but he did have 13 people who were killed,		
	10:26:46 and he personally had to leave the barracks because there was a threat of		
	10:26:51 him also succumbing to the negative influence and for something bad to		
	10:25:59 happen to him. So therefore this is not what it $-$		
	10:27:19 JUGGE KWON: What I'm interested in is the statement that you		
	10:27:19 obstructed many an action, for example, the morping up of Sokolje and		
	10:27:29 Brisjace hill is that true.		
	10:27:34 THE WITNESS: [Interpretation] Well, yes. I was not inclined to		
12	10:27:36 be going towards those people. This is something that would have		
	10:27:42 required a lot of casualties of innocent people. When you go somewhere,		
14	10:27:46 it means the civilians and the soldiers with become casualties and the		

Any person or organization, including media organizations, which has possession of the public recording of all or the relevant portion of the proceeding containing the confidential information is hereby enjoined from disclosing it to any other person(s) or organization(s) as of the date and time this order is received. The failure to conform may result in contempt charges being issued by the Tribunal against the disclosing person or organization.
