

Decision Enacting the Law on Salaries and Other Compensations for Judges and Prosecutors in Brcko District of Bosnia and Herzegovina

In the exercise of the powers vested in the High Representative by Article V of Annex 10 (Agreement on Civilian Implementation of the Peace Settlement) to the General Framework Agreement for Peace in Bosnia and Herzegovina, according to which the High Representative is the final authority in theatre regarding interpretation of the said Agreement on the Civilian Implementation of the Peace Settlement; and considering in particular Article II.1.(d) of the last said Agreement, according to the terms of which the High Representative shall "Facilitate, as the High Representative judges necessary, the resolution of any difficulties arising in connection with civilian implementation";

Recalling paragraph XI.2 of the Conclusions of the Peace Implementation Conference held in Bonn on 9 and 10 December 1997, in which the Peace Implementation Council welcomed the High Representative's intention to use his final authority in theatre regarding interpretation of the Agreement on the Civilian Implementation of the Peace Settlement in order to facilitate the resolution of any difficulties as aforesaid "by making binding decisions, as he judges necessary" on certain issues including (under sub-paragraph (c) thereof) "measures to ensure implementation of the Peace Agreement throughout Bosnia and Herzegovina and its Entities";

Mindful of paragraph I.2.a of the Conclusions of the said Bonn Conference, which recognised "that an impartial and independent judiciary" was "essential to the rule of law and reconciliation within Bosnia and Herzegovina";

Noting the Annex to the Declaration of the Peace Implementation Council of 16 December 1998, in which the Steering Board urged "the adoption by 30 June 1999 of legislation to achieve an independent and impartial judiciary, focusing on judicial and prosecutorial appointments, adequate salaries and objective standards for appointment of judges and prosecutors, consistent with those of European democratic practice, and the promotion of a multi-ethnic judiciary throughout Bosnia and Herzegovina.";

Recognizing that the Supervisory Order on the Appointment of Members of the Judiciary of the Brcko District of Bosnia and Herzegovina has been issued by the Supervisor of Brcko on 8 March 2001;

Realizing that the financial situation within the judiciary and the prosecution at all levels in Bosnia and Herzegovina continues to be extremely critical and that the yearly costs of salaries and benefits for judges and prosecutors clearly represents a disproportionate part of the overall budgets and that the current situation is unsustainable and could lead to a collapse of the judiciary and prosecution;

Noting the Communiqué by the Steering Board of the Peace Implementation Council of 3 December 2004, in which the Steering Board underlined that "the efficient administration of justice, a core plank of Bosnia and Herzegovina's postwar rehabilitation, depends on a properly functioning and appropriately remunerated judiciary" and in which it fully supported "the urgent need to review judicial salaries in order to ensure the proper allocation of funds to enable the judicial system to work effectively."

Noting further that, to avoid a further deterioration of the situation, the High Representative froze judicial salaries in the Entities in December, 2004 and that a Working Group, consisting of the representatives from the ministries of justice at Entity and Bosnia and Herzegovina levels, Brcko District Judicial Commission, the High Judicial and Prosecutorial Council of Bosnia and Herzegovina as well as judges and prosecutors associations in both Entities, was established and tasked with reviewing judicial salaries and drafting new legislation;

Welcoming the recommendations of the Working Group that salaries for judges and prosecutors should be harmonized between the Entities, that the benefits that were eliminated by the Entity Parliaments in 2003 should not be reinstated, that salaries for judges and prosecutors should be modestly reduced, that the current salaries should continue to be frozen until the average salary in Bosnia and Herzegovina has reached a certain level, that when the salaries again start to increase they will increase with the same percentage as the average salary in Bosnia and Herzegovina thus securing a fixed ratio between the average salary in Bosnia and Herzegovina and judicial salaries as well as continued harmonization between the Entities;

Welcoming that fact that the High Judicial and Prosecutorial Council of Bosnia and Herzegovina , at its session held on 23 August 2005 has supported the recommendations of the Working Group;

Recalling the Communiqué by the Steering Board of the Peace Implementation Council of 24, June 2005 were it remained worried “over the fiscal sustainability challenge faced by Bosnia and Herzegovina ’s governments”;

Realizing that implementation of the recommendations of the Working Group is of critical for a functioning judicial system in Bosnia and Herzegovina and that in this respect it is paramount that they take effect from the beginning of the upcoming budget year starting 1 January, 2006;

Having considered and borne in mind all these matters, the High Representative hereby issues the following

Which is hereby attached as an integral part of this Decision.
