ITS DECISION OF 27 AUGUST 2015**

(Extract from Official Public Transcript of Hearing on 3 September 2015, page 97, line 10 to  
page 97, line 23)

[This] is a decision in respect of filing 2163, which is the "Urgent Sabra Defence request for reconsideration of the decision granting video-conference link for PRH553," filed before me as the Presiding Judge on Tuesday, the 1st of September, 2015, in which counsel were seeking my leave to refer to the Trial Chamber the question of reconsidering that decision issued on the 27th of August, 2015. My decision under Rule 140 of the Special Tribunal's Rules of Procedure and Evidence is the following: I am not convinced that the request for leave is manifestly unfounded, frivolous, or aimed at circumventing the Rules - that is, that it was unwarranted - and for that reason I have granted leave to the Trial Chamber to reconsider the matter under Rule 140.

That is the short version of my decision. I'll provide written reasons as soon as possible.
